“A faultless five hearts and a must read! If you only get to read one contemporary romance this year, please, make it *Key Of Sea*.”
– *Janalee, The Romance Studio*

“Romance abounds in *Key Of Sea* and it is truly a wonderful, well-written tale. Charming characters, vivid descriptions, and a tantalizing storyline make *Key Of Sea* the perfect beach read.”

Ms. Stella has done it again! She has created another story, full of life like characters that jump off the page and pull the reader into her world. This time around she tackles some important issues but does so with style and a flair that is her own. The end result is a treasure for the romance reader.

Four and 1/2 stars!
Key Of Sea is sensuous, poignant, humorous and wonderful. Mary Stella has created a generous cast of eccentric, memorable characters, and the author demonstrates her gift of capturing the rhythm of life in the Florida Keys. This is a lovely and heartfelt story of finding your way back home and wondering why you ever left.

Five Stars – A stellar tale!

“...a plucky heroine readers will root for.”
– *RT Bookclub Magazine*

“Mary Stella’s latest romantic tale brims with touching and laugh-out-loud moments. A heroine to root for, a hero to die for, and a wacky, but lovable supporting cast. *Key of Sea* reeled me in—hook, line and sinker.”
– *Beth Ciotta, Award winning author of Jinxed, Charmed & Seduced.*

Five Roses – “Mary Stella has written a tender unconditional love story. *Key Of Sea* kept me turning the pages until the end. I not only enjoyed the love story but the other relationships that were happening in the book. There are many more stories that Ms. Stella could write about this area of the Florida Keys. It’s a keeper for me!”
